SUBJECT: FY23 Richard 'Dick' Ginman Contingency Contracting Officer Excellence Award

In 2013, Defense Procurement and Acquisition Policy, now Defense Pricing and Contracting, instituted the "Richard 'Dick' Ginman Contingency Contracting Officer Excellence Award." This award honors Mr. Ginman for his exceptional service to the nation, both in and out of uniform, and his unparalleled support of the Contingency Contracting Community. This annual award honors the inspirational and "above and beyond" actions of a Contingency Contracting Officer (CCO).

With this award, we continue to recognize exemplary support to warfighter requirements in contingency and operational missions. Each of the nominees this year demonstrated the vital role CCOs play in supporting operations around the world, particularly in the face of the most challenging conditions.

From the pool of truly exceptional nominees, I am pleased to announce the awardee for the tenth annual Richard 'Dick' Ginman Contingency Contracting Officer Excellence Award is: Air Force Technical Sergeant Ernest P. Trosen, 766th Enterprise Sourcing Squadron. TSgt Trosen delivered remarkable results executing contingency contracting support during OPERATION INHERENT RESOLVE. We will recognize TSgt Trosen at the DoD Contracting Senior Leader Meeting later this month.

Congratulations to TSgt Trosen for a job truly well done!
