SUBJECT: Class Deviation—Department of State Rescission of Determination Regarding Sudan

Effective immediately, contracting officers shall—

- Use the provision 252.225-7050, Disclosure of Ownership or Control by the Government of a Country that is a State Sponsor of Terrorism (DEVIATION 2021-O0006), provided in Attachment 1, in lieu of the provision at DFARS 252.225-7050, Disclosure of Ownership or Control by the Government of a Country that is a State Sponsor of Terrorism; and

In addition, in accordance with 10 U.S.C. 2327(b), unless a waiver is granted by the Secretary of Defense, contracting officers shall not award contracts to a firm if the government of a country that is a state sponsor of terrorism owns or controls a significant interest in—

1. The firm;
2. A subsidiary of the firm; or
3. Any other firm that owns or controls the firm.
This class deviation implements the Department of State Public Notice: 11281, Rescission of Determination Regarding Sudan, announcing removal of Sudan from the U.S. list of state sponsors of terrorism, effective December 14, 2020. This action was based upon the Presidential Report of October 26, 2020, to Congress, indicating the Administration’s intent to rescind the designation of Sudan as a state sponsor of terrorism, including the certification that Sudan has not provided any support for international terrorism during the previous six months, and that Sudan has provided assurance that it will not support acts of international terrorism in the future.

This class deviation remains in effect until it is incorporated in the Defense Federal Acquisition Regulation Supplement, or is otherwise rescinded. My point of contact is Mr. Greg Snyder, who is available at gregory.d.snyder.civ@mail.mil.
