SUBJECT: Prohibition on Providing Funds to the Enemy and Authorization of Additional Access to Records

Effective immediately, this class deviation rescinds and supersedes Class Deviation 2020-O0022. Contracting officers shall include the clauses provided in Attachments 1 and 2 of this deviation in solicitations and contracts, including solicitations and contracts using FAR part 12 procedures for the acquisition of commercial products and commercial services, with an estimated value in excess of $50,000 that will be performed outside the United States and its outlying areas in support of a contingency operation in which members of the Armed Forces are actively engaged in hostilities.

This class deviation implements sections 841 of the National Defense Authorization Act (NDAA) for Fiscal Year (FY) 2015 (Pub. L. 113-291), as amended by section 820 of the NDAA for FY 2023 (Pub. L. 117-263), and section 842 of the NDAA for FY 2015. Section 841 grants the authority to terminate or void contracts and to restrict future awards directly or indirectly to any person or entity that is actively opposing United States or coalition forces involved in a contingency operation in which members of the Armed Forces are actively engaged in hostilities. Section 842 grants the authority for additional access to contractor and subcontractor records to the extent necessary to ensure that funds available under covered contracts are not provided directly or indirectly to any person or entity.

Heads of contracting activities shall follow the procedures in Attachment 3 when exercising the authorities provided by this class deviation, which may be exercised only upon written notification from a combatant commander identifying persons or entities within the combatant commander’s area of responsibility that are believed to have—
- Provided funds, including goods and services, received under a covered contract, grant, or cooperative agreement of an executive agency directly or indirectly to any person or entity that is actively opposing United States or coalition forces involved in a contingency operation in which members of the Armed Forces are actively engaged in hostilities; or

- Failed to exercise due diligence to ensure that none of the funds, including goods and services, received under a covered contract, grant, or cooperative agreement of an executive agency are provided directly or indirectly to any person or entity that is actively opposing United States or coalition forces involved in a contingency operation in which members of the Armed Forces are actively engaged in hostilities.

This class deviation remains in effect until December 31, 2025, or otherwise rescinded. My point of contact is Col Adam Coyne who may be reached at (703) 693-5115 or at adam.v.coyne.mil@mail.mil.

If a contractor requests an administrative review of an HCA action under paragraph 3 of this class deviation, the HCA will follow Agency procedures in response to the administrative review. The covered combatant command will support the HCA through the administrative review process and provide information as required by the HCA to support the administrative review.

5. Classified information relied upon to make a decision in accordance with paragraph 3. of these procedures may not be disclosed to a contractor with respect to which an action is taken pursuant to the authority provided in paragraph 3. of these procedures, or to their representatives, in the absence of a protective order issued by a court of competent jurisdiction established under Article I or Article III of the Constitution of the United States that specifically addresses the conditions upon which such classified information may be so disclosed.

8. For contracts awarded on or before December 31, 2025, to be performed outside the United States and its outlying areas, the contracting officer shall check the current list of prohibited or restricted persons or entities in SAM Exclusions prior to awarding the contract.
9. Contracting officers with contracts being performed outside the United States and its outlying areas in support of covered contingency operations shall also check SAM, at a minimum, on a monthly basis to ensure none of the existing contracts being performed in the covered combatant commands are associated with prohibited or restricted persons or entities.

10. The authority to examine records pursuant to 252.225-7975 (Attachment 2) may be exercised only upon a written determination by the contracting officer, upon a finding by the commanding officer of USAFRICOM, USCENTCOM, USEUCOM, USINDOPACOM, USOUTHCOM, or USTRANSCOM that there is reason to believe that funds available under the contract may have been provided directly or indirectly to persons or entities that are actively opposing United States or coalition forces in a contingency operation in which members of the Armed Forces are actively engaged in hostilities.

11. Each HCA shall enforce inclusion of the attached clauses 252.225-7993 (Attachment 1) and 252.225-7975 (Attachment 2) as prescribed.
