SUBJECT: Publication of DoD Competition Reporting – 3rd Quarter FY 2015

The Under Secretary of Defense for Acquisition, Technology and Logistics addresses the
subject of competition in contracting as a recurring Business Senior Integration Group (BSIG)
agenda item. To facilitate preparation for those meetings and increase visibility and
accountability for results, we publish competition data on a quarterly basis to keep you apprised
of your organization’s contribution and progress toward DoD’s competition goal of 59% for
FY 2015.

The attached spreadsheet identifies competition metrics as of July 1, 2015. The metrics are based on the competition report which tracks obligations and actions based on data from the
Federal Procurement Data System – Next Generation. Displayed are year-to-date competition results for each of the DoD components. Quarterly reports are available on the Defense
Procurement and Acquisition Policy website at

My point of contact for this memorandum is Mr. Brian Cassar, 703-697-9351 or
