SUBJECT: Class Deviation—Commercial Item Omnibus Clause for Acquisitions Using the Standard Procurement System  

Effective immediately, when using the Standard Procurement System (SPS) to contract for commercial items, all Department of Defense contracting activities may deviate from the requirements in Federal Acquisition Regulation (FAR) 12.301(b)(4) and the clause at FAR 52.212-5. This class deviation supersedes class deviation 2009-O0005.  

The clause at FAR 52.212-5 requires the contracting officer to "check a box" to identify the clauses that are applicable to the specific acquisition of commercial items. Rather than requiring the contracting officers to "check the applicable clauses," SPS has a clause logic capability that automatically selects the clauses under FAR 52.212-5.  

Contracting officers may use the SPS clause logic capability to automatically select the clauses that are applicable to the specific solicitation and contract. Contracting officers shall ensure that the attached deviation clause is incorporated into these solicitations and contracts because the deviation clause fulfills the statutory requirements on auditing and subcontract clauses applicable to commercial items. The deviation also authorizes adjustments to the attached deviation clause required by future changes to the clause at 52.212-5 that are published in the FAR.  

This class deviation is effective upon signature, and remains in effect for five years, or until otherwise rescinded. My point of contact is Ms. Lisa Romney who may be reached at 703-697-4396, or janice.l.romney.civ@mail.mil.

CONTRACT TERMS AND CONDITIONS REQUIRED TO IMPLEMENT STATUTES OR EXECUTIVE ORDERS—COMMERCIAL ITEMS (DEVIATION 2013-00019) (SEP 2013)

(a) Comptroller General Examination of Record. The Contractor shall comply with the provisions of this paragraph (a) if this contract was awarded using other than sealed bid, is in excess of the simplified acquisition threshold, and does not contain the clause at 52.215-2, Audit and Records—Negotiation.

(1) The Comptroller General of the United States, or an authorized representative of the Comptroller General, shall have access to and right to examine any of the Contractor’s directly pertinent records involving transactions related to this contract.

(2) The Contractor shall make available at its offices at all reasonable times the records, materials, and other evidence for examination, audit, or reproduction, until 3 years after final payment under this contract or for any shorter period specified in FAR Subpart 4.7, Contractor Records Retention, of the other clauses of this contract. If this contract is completely or partially terminated, the records relating to the work terminated shall be made available for 3 years after any resulting final termination settlement. Records relating to appeals under the disputes clause or to litigation or the settlement of claims arising under or relating to this contract shall be made available until such appeals, litigation, or claims are finally resolved.

(3) As used in this clause, records include books, documents, accounting procedures and practices, and other data, regardless of type and regardless of form. This does not require the Contractor to create or maintain any record that the Contractor
