SUBJECT: Class Deviation—Contract Consolidation

Effective immediately, contracting officers shall use $2 million in lieu of $6 million for the dollar threshold set forth at DFARS 207.170-3(a). Agencies are prohibited from consolidating contract requirements exceeding this threshold unless the acquisition strategy includes the results of market research, identification of any alternative approaches that would involve a lesser degree of contract consolidation, and a determination by the senior procurement executive that the contract consolidation is necessary and justified.

This class deviation remains in effect until incorporated in the FAR and/or DFARS, or otherwise rescinded. My point of contact is Ms. Lee Renna, who may be reached at 571-372-6095, or at marylee.renna.civ@mail.mil.
