SUBJECT: Contractor Past Performance Assessment Reporting – 4th Quarter FY 2012

The Acting USD(AT&L) memorandum dated November 18, 2011, “Past Performance Assessment Reporting,” tasked the Director of Defense Procurement and Acquisition Policy to monitor and communicate compliance information on past performance reporting to the senior procurement executives on a quarterly basis.

The PPIRS compliance metrics review for the fourth quarter identified the overall average in the Department as 66%. When compared to the previous quarter, this is an overall increase of 4%. During FY12, DoD improved from 59.27% to 66.03%, but we must continue to do better.

The attached spreadsheet identifies specific agencies with their overall scores for the fourth quarter of FY12, as of September 28, 2012. There are only four agencies that have a percentage of 80 or higher and two in the 70 percent range. Contracts that meet the DoD thresholds in the Federal Procurement Data System are included in the contract count and must be registered in the Contract Performance Assessment Reporting System. Contractor performance evaluations are due within 120 days of the end of a period of performance. Attention must be paid to providing the completed assessments in a timely manner.

My point of contact for this memorandum is Ms. Sandra K. Ross. She can be reached at Sandra.Ross@osd.mil, 703-695-9774 or DSN 225-9774.
