SUBJECT: Class Deviation—Temporary Extension of the Test Program for Negotiation of
Comprehensive Small Business Subcontracting Plans

Effective immediately, contracting officers shall continue to follow the requirements of DFARS subpart 219.7 with regard to implementation of the test program for negotiation of comprehensive small business subcontracting plans, with the exception that at 219.702(3) the expiration date of “December 31, 2014” is revised by this deviation to read “December 31, 2017”.

This class deviation partially implements section 821 of the National Defense Authorization Act for Fiscal Year 2015. Further amendments to the test program will be implemented in the DFARS through the standard rulemaking process.

This class deviation remains in effect until incorporated in the DFARS or otherwise rescinded. My point of contact is Ms. Lee Renna, who may be reached at 571-372-6095, or at marylee.renna.civ@mail.mil.
