Instructions for using the links in this document:

1. Use the link in the left “Solution” column to access the website for the BIC solution by scrolling over and clicking on the solution name or copying and pasting the hyperlink.
2. Use the links embedded in the “Brief Description” column to access additional information and tools supporting the BIC solution.
3. Use the link in the right “Learn More” column to access information available in the Acquisition Gateway [Solution Finder Tool](#). While accessing this document from the Gateway, clicking the link will take you directly to the associated Solution Finder page; otherwise, the link will initially connect to the login screen for the Acquisition Gateway then select “Non Federal Government and Public Users” to enter the site and you will be re-directed to the associated Solution Finder page.
4. Hover over the POC name to obtain an email address.

**Government-wide Best-in-Class Contracts
Detailed Information (By Category)**

<u>SOLUTION</u>	<u>CATEGORY</u>	<u>DESCRIPTION</u>	<u>POC</u>
<u>Building Maintenance and Operation (BMO)</u>	Facilities and Construction	<p>The scope of BMO and BMO SB spans many areas of expertise and includes the primary services required to provide a total solution to maintain and operate federal buildings and assets. BMO services include the use of products that meet applicable environmental standards including: CPG, BioPreferred, SaferChoice, Energy Star, SNAP, and WaterSense.</p> <p>Refer to the BMO Sustainability section for additional information. The list below shows the available services:</p> <ul style="list-style-type: none"> • HVAC Maintenance; • Plumbing and Pipefitting; • Elevator Maintenance; • Electrical Maintenance; • Fire Alarm System Maintenance and Repair; • Fire Suppression (Water Based) System Preventative Maintenance and Repair; • Roofing Services; • Building Management Services; • Architectural and Framework Building Maintenance Services; • Commissioning Services; • Elevator Inspection Services; • Janitorial; • Landscaping/Grounds Maintenance; • Pest Control; and • Waste Management and Recycling Services 	<u>Mary Snodderly</u>
<u>U.S. Army Corps of Engineers' Facilities Reduction Program (FRP)</u>	Facilities and Construction	<p>The Facilities Reduction Program (FRP) eliminates excess facilities and structures to reduce fixed installation costs and achieve energy savings. The FRP centrally manages these programs with execution accomplished through installations, USACE districts and Installation Support Center of Expertise (IS CX) product delivery teams. FRP assists installations and regions in developing lists of removal candidates, preparing statutorily required documentation and performing pre-demolition environmental surveys, in addition to removing excess inventory.</p>	<u>Steve Goolsby</u>

Human Capital and Training Solutions (HCaTS)	Human Capital	<p>The Human Capital and Training Solutions (HCaTS) Program is comprised of two strategically sourced, indefinite-delivery indefinite-quantity (IDIQ) government-wide contract vehicles. These vehicles provide reliable, flexible, fast and efficient ways to obtain best value customized solutions for human capital management and training requirements.</p>	Kenneth Munson
USA Learning	Human Capital	<p>USALearning® supports the development of the Federal workforce and advances the accomplishment of agency missions through simplified and one-stop access to high quality e-Learning products, information, and services.</p>	Willie Harrison
Janitorial Sanitation (Jan/San)	Industrial Products and Services	<p>GSA has 15 blanket purchase agreements for this solution, which is designed to help federal agencies purchase Janitorial and Sanitation supplies at significant savings—prices that are at least 15.9 percent lower than standard government pricing – for the following requirements.</p> <ol style="list-style-type: none"> 1. Cleaning Compounds and Related Dispensers (including disinfectants, degreasers, glass cleaners, laundry and dish detergents, bleach, hand soaps and sanitizers); 2. Non-Motorized Cleaning Equipment and Trash Receptacles (including Brooms, mops, brushes, trash receptacles and bags); 3. Paper Products and Related Dispensers (including Toilet paper, paper towels, facial tissues, seat liners); and 4. Motorized Floor Cleaning Equipment and Accessories (including Vacuum cleaners, wet/dry vacs, floor buffers, polishers and burnishes). 	Donna Peck
Maintenance Repair, and Operation Supplies (MRO)	Industrial Products and Services	<p>The MRO solution offers agencies a better way to purchase commonly used products. These are staples needed on a daily basis when working on aircraft and vehicles, or even repairing building areas. Thousands upon thousands of choices are available, split into three categories:</p> <ul style="list-style-type: none"> • Hardware. • Tools and Tool Cabinets • Paints, Adhesives and Sealants 	Emma Hall

<p>SEWP (GSS)</p> <p>CIO-CS (GSS)</p> <p>Schedule 70 (GSS)</p>	<p>Information Technology</p>	<p>The Government-wide Strategic Solutions (GSS) for Desktops and Laptops are approved multiple award, Indefinite Delivery Indefinite Quantity (IDIQ) contracts offered through the following acquisition vehicles: NASA Solutions for Enterprise Wide Procurement (SEWP), the NITAAC CIO-CS, and GSA Schedule 70.</p> <p>These contracts currently provide 6 standard configurations; 3 desktops and 3 laptops that are developed with input from over 25 agencies to meet approximately 80% of the Government's spend in this area.</p> <p>The configurations are updated on a regular basis and the newest version 3.0 includes an optional tablet after multiple agencies expressed an interest.</p>	<p>(301) 286-1478 help@sewp.nasa.gov</p> <p>(888) 773-6542 NITAAC CIO-CS NITAACsupport@nih.gov</p> <p>(855) Itaid4U (482-4348) workstations@gsa.gov</p>
<p>CHESS/ADMC2 (GSS)</p>	<p>Information Technology</p>	<p>The Computer Hardware Enterprise Software and Solutions (CHESS) is the Army's designated Primary Source for commercial IT. These are multiple award Indefinite Delivery Indefinite Quantity (IDIQ) contracts. The Army Desktop and Mobile Computing (ADMC) contract includes standard common configurations of laptops and desktops (as well as tablets, monitors, printers, ruggedized and semi-ruggedized devices) that meet GSS standards configurations as well as other Army requirements. These contracts are open to Army, DoD and other Federal Agencies.</p>	<p>(888) 232-4405 armychess@mail.mil</p>
<p>Schedule 70 (HW & SW)</p>	<p>Information Technology</p>	<p>IT Schedule 70 delivers federal, state, and local customer agencies the tools and expertise needed to shorten procurement cycles, ensure compliance, and obtain the best value for innovative technology products, services, and solutions.</p> <p>In addition to the GSS solutions, the IT Schedule 70 Best-in-Class (BIC) designation covers the following Special Item Numbers (SINs) under the broader GSA Schedule 70 for General Purpose Commercial Information Technology Hardware and Software: Hardware Category SINs:</p>	<p>(855) Itaid4U (482-4348) workstations@gsa.gov</p>

		<ul style="list-style-type: none"> • 132 3 - Leasing of Product, • 132 4 - Daily/Short Term Rental, • 132 8 - Purchase of Equipment, • 132 9 - Purchase of Used or Refurbished Equipment, • 132 12 - Maintenance of Equipment, Repair Services and/or Repair/Spare Parts, • 132 99 - Introduction of New Information Technology Services and/or Products <p>Software Category SINs:</p> <ul style="list-style-type: none"> • 132 32 - Term Software Licenses, • 132 33 - Perpetual Software Licenses, • 132 34 - Maintenance of Software as a Service - SUBJECT TO COOPERATIVE PURCHASING 	
NASA SEWP	Information Technology	<p>NASA SEWP is a multi-award Government-wide Acquisition Contract (GWAC) vehicle focused on commercial IT products and product based services. With over 140 pre-competed prime contract holders, SEWP offers a wide range of commercial advanced technology including tablets, desktops and servers; IT peripherals; network equipment; storage systems; security tools; software products; cloud based services; telecommunications; Health IT; sensors; video conferencing systems and other IT, Communication and Audio-Visual products. Product based services such as installation, training, maintenance and warranty and a full range of product based services are also available through SEWP.</p>	(301) 286-1478 help@sewp.nasa.gov
NITAAC CIO-CS	Information Technology	<p>NITAAC CIO-CS is a multiple-award, indefinite-delivery, indefinite-quantity (IDIQ) Government-wide Acquisition Contract (GWAC) offering IT commodities and commodity-enabling solutions. CIO-CS Contract Holders have delivered innovative and secure commodity solutions for agencies across the federal government and initiatives as diverse as Cloud Computing, Cyber Security and Mobility. CIO-CS provides access to the latest cloud collaboration tools</p>	(888) 773-6542 NITAACsupport@nih.gov

		including email, SharePoint, video/web conferencing, custom social networks, wikis, microblogs, CRM, IM and more. CIO-CS allows you to easily acquire IT products either on-site or in the cloud, making it the everything IT solution for federal civilian and DoD agencies. With a \$20 billion ceiling for each awardee, flexible contract design and no limits on what can be purchased (within scope) CIO-CS allows for streamlined planning, acquisition and deployment of enterprise IT commodity requirements.	
FSSI Wireless	Information Technology	<p>FSSI Wireless includes a variety of wireless devices, bundled with the service, including 4th-generation smartphones, cellphones, and broadband data devices. Wireless and cellular domestic service plans are standardized across all BPA vendors.</p> <p>Services from the four largest domestic and international carriers allows agencies to optimize:</p> <ul style="list-style-type: none"> • Usage costs through pooling, plans with zero-cost devices, and greater visibility into inventory and account data • Cellular service plans for voice, voice/data, and data only, service enabling devices • Cell phones, smart phones, and data-only devices • Metered, pooled and unlimited rate plans • U.S. domestic and international long distance rate plans, including roaming options, wireless infrastructure, business portal interface, government-wide volume discounts. (FSSI Wireless) 	ITCSC@gsa.gov

<p>VETS 2</p>	<p>Information Technology</p>	<p>This GWAC provides a unique opportunity to contract with highly qualified service-disabled veteran-owned small businesses to all DoD civilian agencies.</p> <p>Products and services include:</p> <ul style="list-style-type: none"> • Information technology and IT-related services, including cloud solutions and cloud services • IT hardware • IT software • Related supplies as part of an integrated solution <p>In addition to common IT services regularly purchased by the federal government, VETS 2 will also support projects that require new or emerging IT services. Examples of IT services within scope include: Data Management, Information and Communications Technology, IT Operations and Maintenance, IT Security, Software Development, and Systems Design.</p>	<p>Alex Wrisinger Contracting Officer (816) 823-3220</p> <p>Valerie Waldmeier Business Management Specialist (816) 806-6892 Cell</p>
<p>Alliant/Alliant SB & Alliant 2/Alliant 2 SB</p>	<p>Information Technology</p>	<p>The Alliant and Allant SB GWACs provided integrated IT solutions on a worldwide scale and includes all leading edge and/or emerging IT services and technology. Integral and necessary ancillary products and/or services necessary to meet the IT solution, can be provided. Fixed price, cost-reimbursement, labor-hour and time-and-material contract types are permitted and flexibility can be built into each order.</p> <p>The scope of the Alliant master contract includes every conceivable aspect of IT Services.</p>	<p>Alliant:</p> <p>Mimi Bruce Client Support (510) 292-5836</p> <p>Paul Bowen Technical (617) 565-6570</p> <p>Jason Schmitt Contracting Officer (858) 243-7998</p> <p>Alliant Small Business</p> <p>Greg Byrd (816) 823-4356 Office (816) 863-8170 Cell</p> <p>Meredith Wassenberg (816) 823-2470 Office (816) 527-7084 Cell</p>
<p>Joint National Contracts</p>	<p>Medical</p>	<p>The Joint National Contract pharmaceutical program is jointly managed by VA and DoD to provide drugs and other pharmaceuticals at substantially reduced prices. Primary</p>	<p>Erica Moreno</p>

		commercial distributors serve as the provider of a broad range of drugs and pharmaceuticals to the VA and other Government agencies.	
Hearing Aids	Medical	<p>Scope is to provide for a full range of top quality hearing aids. To use this solution, agencies will need to utilize the VA Remote Order Entry System (ROES). This system allows ordering and receiving hearing aids directly from the audiologist's office. With an Interagency Agreement (IAA), agencies may issue orders directly off any of the IDIQ contracts and not utilize ROES.</p> <p>Hearing Aid Devices and accessories include:</p> <ul style="list-style-type: none"> • In ear hearing aids • Receiver in the canal hearing aids • Behind the ear hearing aids • Wireless devices • Remote controls • Bicros Transmitters • Rechargeables 	Kip Sheppard (303) 273-6208
Office Supplies 3	Office Management	Indefinite Delivery-Indefinite Quantity (IDIQ) contracts for office supply products and commodities through the purchasing channel acquisition. Twenty-three of the twenty-four awards have gone to small business entities.	Maria Viscione
Identity Protection Service (IPS)	Professional Services	Identity protection services to include data breach response and protection identity monitoring.	Kathy Jocoy
SmartPay	Professional Services	GSA SmartPay is the world's largest commercial payment solution, providing charge cards and related payment services to more than 350 federal agencies and organizations for more than 18 years. Additionally, recent changes in the Defense Authorization Act increase DoD's Micro-purchase Threshold from \$3,500 to \$5,000 for most purchases and to \$10,000 for research and development and DoD University. This will enable greater savings and refunds and extract additional value from SmartPay.	David Shea
OASIS	Professional Services	OASIS and OASIS Small Business (SB) are multiple award, Indefinite Delivery Indefinite Quantity (IDIQ) contracts that provide flexible and innovative solutions	Valerie Bindel

		<p>for complex professional services. These contracts:</p> <ul style="list-style-type: none"> • Span many areas of expertise and mission spaces • Span multiple professional service disciplines • Allow flexibility for all contract types, including hybrids and cost-reimbursement, at the task order level, and • Allow ancillary support components, commonly referred to as Other Direct Costs (ODC), at the task order level 	
Body Armor III	Security and Protection	<p>Body Armor III is a DHS established, multiple agency contract (MAC) for tactical body armor. It is made up of three indefinite delivery/indefinite quantity (IDIQ) contracts with small businesses that include products and packages of products relating to soft, torso protecting concealable body armor. Under this IDIQ, DHS and other Federal Agencies may place orders on a Firm-Fixed Price Basis or using a Government Purchase Card for orders up to \$3,000. To order from this contract vehicle, please obtain approval from the CBP Contracting Officer.</p>	Matthew Korn
GSA Fleet Purchasing (AutoChoice)	Transportation and Logistics Services	<p>GSA is a mandatory source, under FPMR 101-26-501, for purchases of new non-tactical vehicles for DOD and federal executive agencies. Other eligible users may also purchase vehicles from GSA (reference GSA Order ADM 4800.2I, Eligibility to Use GSA Sources of Supply and Services).</p> <p>The solution offers a wide variety of deeply-discounted vehicle types and solutions to meet all of an agency's automotive needs. Agencies submit their requisition (vehicle orders) through the online ordering tool, AutoChoice.</p>	vehicle.buying@gsa.gov (703) 605-CARS (2277)
GSA Fleet Leasing	Transportation and Logistics Services	<p>GSA Fleet captures the economies and efficiencies of scale using a shared service business model to save taxpayer dollars by providing full service vehicle leases. Consistently achieving monthly lease rates that are more than 50% below commercial leasing options, GSA Fleet provides goods and services based on the same principles that effectively serve private industry and must compete with industry for the provision of these goods and services every</p>	gsafleet@gsa.gov

		day. GSA Fleet designs and executes its programs to break-even; without a profit motive, GSA delivers better value at lower costs than commercial alternatives.	
Government-wide Package Delivery Services (Next Generation Delivery Service – NGDS)	Transportation and Logistics Services	NGDS is a government-wide contract for domestic and international express small package delivery services, and domestic ground small package delivery services. The contract represents the Federal Government's acquisition approach to consolidate federal package delivery contracts into one government-wide contract under the purview of DoD's U.S. Transportation Command (USTRANSCOM), a specialized buyer of transportation services on a global scale. The contract is a result of collaborative efforts of an interagency team of DoD and executive agency representatives, working together. Available Oct 1, 2017 to all federal government, cost-reimbursable contractors, and all activities eligible to use GSA sources of supply or service.	NGDS PMO
Direct Delivery Fuels Solution	Transportation and Logistics Services	Direct Delivery Fuels Solution provides worldwide acquisition and integrated materiel management of commercial fuels delivered directly to military and federal civilian customers. This includes the procurement of commercial specification aviation fuel at commercial airports, commercial ship propulsion fuels at commercial seaports and commercial ground fuels (diesel, gasoline and “green” products) at posts, camps and stations worldwide. Direct Delivery Fuels Solution also supports short-notice provisioning of fuel for humanitarian relief efforts and worldwide contingency operations.	Kevin Ahern
FedRooms	Travel	FedRooms is the only government- wide-managed lodging program for civilian and military employees on official travel, offering rates at or below per diem at FEMA and ADA compliant properties. Reservations can be made through preferred reservation channels: E- Gov Travel Service 2 (E2 Solutions and Concur Government Edition), the Defense Travel System (DTS), travel agencies serving Federal Agencies and FedRooms.com.	Ernesto Martinez
City Pair Program	Travel	The City Pair Program (CPP) provides discounted air passenger transportation	Lauren Concklin

		<p>services to Federal Government travelers. The pre-negotiated, firm-fixed-price airfare rates are considerably lower than comparable commercial fares, saving the federal government billions of dollars annually. Find Airline City Pairs by using the CPP Search Tool. Reservations can be made through preferred reservation channels: E-Gov Travel Service 2 (E2 Solutions and Concur Government Edition), the Defense Travel System (DTS) and travel agencies serving Federal Agencies.</p>	
<p>Employee Relocation (Schedule 48: Transportation, Delivery and Relocation Solutions)</p>	Travel	<p>GSA's employee relocation services are available for government agencies to procure under Schedule 48, Transportation, Delivery, and Relocation Solutions (TDRS). The TDRS services were created to assist federal agencies offering relocation benefits for employees and their families which includes home sale services.</p>	<p>onthego@gsa.gov 1-877-575-ERRC</p>
<p>U.S. Government Car Rental Program Additional Information: Visit the Travel Category Hallway</p>	Travel	<p>The U.S. Government Rental Car Program is managed by the Defense Travel Management Office (DTMO). The Solution provides special benefits and reduced rates to all federal government employees traveling on official business through a variety of companies at over 10,000 rental locations.</p> <p>U.S. Government Rental Car Agreement Number 4 governs the rental of vehicles (passenger cars, sports utility vehicles, station wagons, passenger vans, and small pick-up trucks) by military members, employees of the Federal Government, and employees of the United States Postal Service while in official travel status and when such rental is authorized by the Government.</p> <p>Federal employees can secure rates by making reservations through their contracted Travel Management Company, Defense Travel System or E-Gov Travel Service. Agencies can further optimize their spend by driving employees to utilize the solution when necessary for temporary duty (TDY) travel.</p>	<p>Robin.D.Johnson12.civ@mail.mil Herbert.H.Hicks2.civ@mail.mil Donna.L.Johnson50.civ@mail.mil</p>
