MEMORANDUM FOR Armed Forces Pest Management Board Members, Agency and Liaison Representatives and Alternates

SUBJECT: 212th Meeting of the Armed Forces Pest Management Board

Armed Forces Pest Management Board (AFPMB) members, designated constituents and interested parties are cordially invited to the 212th Meeting of the AFPMB Committees and Council, March 15-17, 2021. Due to COVID-19 restrictions, the meeting will take place virtually, to include only standing Committee and AFPMB Council meetings.

Regardless of format, Board week is designed to maximize dialogue among all members of the DoD Pest Management community, our partners and stakeholders leading to increased cooperation and coordination to resolve critical issues impacting current and future support of the warfighter. If it has been a while since attending your last meeting or have never had an opportunity, I encourage you to not only join us, but actively participate. Your experience, expertise and perspective are valued.

If you are planning to attend, I request that you register online at <https://einvitations.afit.edu/inv/index.cfm?i=589017&k=07694B097A50>. Please visit the AFPMB webpage at <https://www.acq.osd.mil/eie/afpmb/> to find the latest information (agendas, video feeds, updates, etc.) for the meeting.

If you have any questions about the meeting, my points of contact are any of the AFPMB Committee Ex-officios at (301) 295-7476 or DSN 295-7476, or you can send an electronic query to our webmaster at osd.pentagon.ousd-atl.mbx.afpmb@mail.mil.
