MEMORANDUM FOR Armed Forces Pest Management Board Members, Agency and Liaison Representatives and Alternates

SUBJECT: 209th Meeting of the Armed Forces Pest Management Board

Armed Forces Pest Management Board (AFPMB) members, designated constituents and interested parties are cordially invited to the 209th Meeting of the AFPMB Committees and Council, September 16-20, 2019. The meetings will take place at the AFPMB, Building 172, US Army Garrison Forest Glen, Silver Spring, MD.

We have re-structured Board week to maximize dialogue among all members of the DoD Pest Management community, our partners and stakeholders leading to increased cooperation and coordination to resolve critical issues impacting current and future support of the warfighter.

If it has been a while since attending your last meeting or have never had an opportunity, I encourage you to not only join us, but actively participate. Your experience, expertise and perspective are valued. Please let us know if you need a letter of support from the Board that might aid you in attaining approval to attend our meeting. For those that cannot attend in person, we will have multiple phone lines and we will simultaneously broadcast the meetings through DCS, formerly DCO.

Whether you plan on physically attending or participating remotely, I request that you [register online](#). Once you finish the registration, please visit the [AFPMB webpage](#) to find the latest information (agendas, billeting, video feeds, updates, etc.) for the meetings. The uniform for the meetings is the Service appropriate uniform of the day.

If you have any questions about the meetings, my points of contact are [Mr. Jeraun Thompkins](#) or any of the AFPMB Committee Ex-officios at (301) 295-7476 or DSN 295-7476, or you can send an electronic query to our webmaster, [Mr. David Hill](#). See you in September!

ERIC R. HOFFMAN
CAPT, MSC, USN
Director
