DoD:

- Air Force Aerial Spray Unit, Youngstown Air Reserve Station, Vienna, OH
- Armed Forces Research Institute of Medical Sciences, Bangkok, Thailand
- Army Medical Materiel Development Activity, Fort Detrick, MD
- Army Medical Research Acquisition Activity, Fort Detrick, MD
- Army Medical Research Institute of Infectious Diseases, Ft Detrick, MD
- Army Medical Research Unit, Kenya
- Army Public Health Command, Aberdeen, MD
- Army Space & Missile Defense Command, CBMS, Frederick, MD
- Florida National Guard, Camp Blanding, FL
- Natick Soldier Research Development and Engineering Center, Natick, MA
- Navy Entomology Center of Excellence, Jacksonville, FL
- Navy & Marine Corps Public Health Center, Portsmouth, VA
- Navy Medical Research Center, Silver Spring, MD
- Navy Medical Research Unit #3, Cairo, Egypt
- Navy Medical Research Unit #6, Lima, Peru
- Walter Reed Army Institute of Research, Silver Spring, MD

USDA ARS:

- Aerial Application Technology Research Unit, College Station, TX
- Biological Control of Pests Research Unit, Stoneville, MS
- Crop Production Systems Research Unit, Stoneville, MS
- Insect Control and Cotton Disease Research Unit, College Station, TX
- Invasive Insect Biocontrol & Behavior Laboratory, Beltsville, MD
- Knipling-Bushland US Livestock Insect Research Laboratory, Kerrville, TX
- Mosquito & Fly Research Unit, Center for Medical, Ag & Veterinary Entomology, Gainesville, FL
- Natural Products Utilization Research Unit, Oxford, MS
- USDA-CSREES - Area-Wide Project: Management of the Asian Tiger Mosquito
- USDA Inter-Regional Project #4 (IR-4) for Minor Use Pesticides, Rutgers NJ

Academia:

- Hadassah Medical School, Hebrew University, Jerusalem, Israel
- Innovative Vector Control Consortium, Liverpool School of Tropical Medicine, UK
- International Pesticide Application Research Consortium, Imperial College, UK
- Iowa State University, Ames, Iowa
- Kansas State University, Manhattan, KS
- Louisiana State University, Baton Rouge, LA
- Massachusetts Institute of Technology, Cambridge, MA
- Montana State University, Bozeman, MT
- North Carolina State University, Raleigh, NC
- Pontifical Catholic University, Quito, Ecuador
- Purdue University, West Lafayette, IN
- Rutgers University, NJ
- State University of New York, Upstate Medical University, Syracuse, NY
- Texas A&M University, College Station
- Texas Tech University, Lubbock, TX

- Uniformed Services University of the Health Sciences, Bethesda, MD
- University of Florida, Gainesville, FL
- University of Wisconsin, Madison, WI

Foreign Governments:

- Australian Army Malaria Institute, Australia
- Israel Ministry of Health, Lab of Entomology, Jerusalem

Industry:

- ADAPCO, Sanford, FL
- BASF Professional Pest Control, Research Triangle Park, NC
- Bayer Professional Products, Research Triangle Park, NC
- Beeologics LLC, Israel
- Central Life Sciences, Schaumburg, IL
- Clarke Mosquito Control, Roselle, IL
- Dorendorf Applied Technologies, Winnebago, MN
- EcoSMART Divn of Kittrich Corp., Atlanta, GA
- Genesis Inc., Wellington, CO
- i2L Research USA, Inc., Baltimore, MD
- ISCA Technologies, Riverside, CA
- Killgerm Ltd, Yorkshire, UK
- Landis International Inc., Valdosta, GA
- Micron & Micronair, Herefordshire, UK
- Mitsui Chemicals Agro, Tokyo, Japan
- Monsanto Co., St Louis, MO
- S.C.Johnson, Racine, WI
- Springstar Inc, Woodinville, WA
- Technoloy Sciences Group, Washington, DC
- Valent BioSciences, Libertyville, IL
- Westham Innovations Ltd., Tel Aviv, Israel
- Widder Brothers, New York, NY
- numerous manufacturers of NSN products

Others:

- Centers for Disease Control, Divn of Vector-Borne Diseases, CO
- Centers for Disease Control, Divn of Parasitic Diseases, Atlanta, GA
- Environmental Protection Agency, Office of Pesticide Programs, DC
- World Health Organization, Geneva, Switzerland:
    - Global Collaboration for the Development of Pesticides for Public Health
    - Global Malaria Program
    - Neglected Tropical Diseases Dept
    - Pesticides Evaluation Scheme
    - Tropical Diseases Research & Training Program
    - Vector Ecology & Management Unit
