DAG Chapter 4
Life Cycle Sustainment
Editorial Board

OUSD(AT&L) / OASD(L&MR) / ODASD(MR)
Denise Little

June 8, 2017
Purpose of Editorial Board

- Make the DAG Chapter 4 relevant and useful.

- Identify PSM best practices and determine their application to DAG Chapter 4 on Sustainment.

- Challenge and update the DAG on a continual basis through continuous process improvement: *attack, challenge, refine and develop.*

- Align DAG with statute/policy.
Background: Re-writing DAG Chapter 4

• ODASD(MR) is DAG Chapter 4 proponent.
• Most recent DAG published in Sept 2013.
  • Key information was be 5-10 years old.
  • Revised DAG Chapter 4 in 2016

1: brainstorming – Start with a blank page.
   ▪ Repository for best practices and lessons learned – the “how”.
   ▪ Address recent DAB trends and decisions.
   ▪ Don’t over-explain the “why”.

2: Then revisit Sept 2013 DAG – anything important to add bag in?
3: Update the DAG Chapter 4 with direct PSM and Sustainment community feedback on a recurring / 18-24 month basis.
Board Concept

• OSD PSMs of the Year winners and currently a PSM.
• Membership term: full review in 18-24 months.
• No pressure from outside agencies.
• Open and dynamic discussion.

• OSD Sustainment Community:
  • developed recommendations
  • Explain why it’s wrong, outdated, etc.
  • Write the change and send it in for consideration.
Quarterly Review Process

Month 1: E.Board Homework:
- Collect and consider suggestions from DoD Sustainment Community.

Month 2: WG discusses suggestions, identifies issues, and develops recommendations.

Month 3: DASD(MR) reviews / approves recommended changes.
Board Members

2013 ACAT II and below Programs: Mr. Brian Sharkey, PSM
Army Lightweight Mortars, Product Manager Guidance Precision Munitions and Mortar Systems

2014 ACAT I Programs: Mr. John Faulkner, PSM
Air Force Intercontinental Ballistic Missile Systems Directorate (ICBMSD)

2015 ACAT I Programs: Mr. Dale Hertenstein, PSM
Air Force Global Hawk Division Office

2016 ACAT I Programs: Mr. William G. Baker, PSM
Navy Ohio Replacement Program Office

2016 ACAT II and below Programs: Mr. Charles E. Dixon, PSM
Navy Aircrew Life Support Systems
How do I plan for product support?
What do I need to consider?

What needs to be done for planning product support?

Where do I document my planning efforts?
