Asset Level Data Reporting

Phyllis Smith PhD., CFFS, CFFA
Department of the Treasury
August 16, 2017
What Should You Be Doing

- Start Now
  - Consolidating
  - Checking
  - Notifying
- Start October 1

- Work with a smaller organization first

- Establish standards for the Department
Prepare months before FAST opens

- the information in your FMIS needs to be corrected prior
- If the Department/Agency does not have FMIS you need to consolidate the information

Provide training sessions for your sub-organizations

Establish several progress updates
Advice

- Plan
- Prepare
